

TO ASSEMBLE:

1. Deeply set the triangular steel plate at the top of each leg into the L-brackets already affixed to the table top. Then drill the 12x1" screws into each of the leg's 5 screw holes.
2. Repeat on all four sides.
3. Place the insert legs into the upper legs and attach using 2 screws (5/16x18) per leg.
4. Repeat on all four legs.
