

2026 School Furniture Catalog

Create An **Ideal Learning Environment**

With Flexible, Collaborative Classroom Furniture.

Environmentally Conscious

Earning 100% compliance with the most stringent standards by recognized independent testing agencies, Academia goes further by reducing our environmental footprint and constantly testing to ensure that all products are classroom-safe and kid-friendly (**MAS Certified Green** and LEED compliant).

15-Year Warranty

Academia Furniture Industries offers the original user a limited fifteen-year warranty against all manufacturing defects in **material and workmanship** from date of purchase.

Promise & Philosophy

Discover Academia Furniture's unique style for the 21st century classroom - **fun, vibrant, colorful, comfortable & versatile**.

Our Promise: To exceed your expectations in innovative classroom furniture by personally and helpfully servicing your every need promptly in a true relationship-based association.

Our philosophy: To provide what we promise, when we promise, at a competitive price.

We Design Innovative Products

Making you look good makes us proud. Design, safety, utility, comfort, stability and durability are just the start. Colors, shapes, sizes, finishes, gliding or immobile - the choices abound.

From prestigious public schools to new charter schools, students, teachers and administration are delighted with Academia's quality and versatility. Let's see how good we can make you look.

WOODSTONE

Woodstone Desktops offer a whole new level of durability, strength, convenience and value.

Woodstone is a mixture of wood fibers and melamine resin, with a laminate finish –baked at 308°F under high pressure.

Lighter: They are 10% lighter than a Hard Plastic Desktop

Affordable: Woodstone Desktops cost about 18% less than conventional hard plastic.

Reliable: Woodstone exceeds ANSI/BIFMA requirement on 5 rigorous tests!

HARD PLASTIC

Hard Plastic desktops are solid plastic manufactured with ground hardwood floor, color pigment and melamine plastic resins blended and compressed under heat and pressure to form a homogeneous top.

Classic & Timeless: An all time classic for schools everywhere.

Resilient: Solid Plastic desktops are resilient, heavy-duty and virtually maintenance free.

High-Pressure Laminate Edge Finishes

T-MOLD STANDARD

Hydraulically inserted PVCT-Mold edge banding 1/8" thick, bull-nose profile and smooth matte finish.

T-Mold*
(Shown in Primary Red)
