

## Soft Seating

### Re•Group Series

#### SEATING - ARM REST

**Seat and Back:** ¾" plywood frame supported by multiple wooden posts surrounded by polyurethane foam

**Arm Rest:** Arm rest is 6" wide and 20" tall. Same solid core as seat and back

**Floating Arm:** Floating arm rest is 4½" wide. Metal holding plate is flush on the outside and securely bolted internally to wood frame for support

**Textiles:** Hundreds of options

**Glides:** Adjustable 1" glide

**Base:** 3" powder coated textured steel base

#### OTTOMAN

**Tabletop:** ¾" laminate top

**Edge Banding:** Standard T-Mold edge banding with any standard color

**Glides:** Adjustable 1" glide

**Power:** Various power port options available on front of Armrests, Bench sides, or Power Shelf
