

The ultimate in soft-seating with every possible component to build your unparalleled dream arrangement.

Re•Group defines versatility – if you can imagine it, Re•Group can create it. Any choice of shape, color and pattern – wait for the Wows.

Impeccable craftsmanship, angled bolsters for comfort and character, accessible power ports and solid low profile for personal safety.

Long-lasting wood frame, incredibly resilient foams and fabrics, upholstered with French triple seams to ensure endurance.
