

School Seating

Chairs & Stools

Zed Series

Our latest design featuring extreme comfort, flexibility, and long-lasting engineering. This chair stacks eight high. Built-in carry handle, hybrid engineering that minimizes wear and tear, lightweight, with a smooth back for optimal design and cleaning.

Inspiration Series

Designed with the latest looks, trends and colors, this chair stacks ten high. Dual, flexing curves provide exceptional support. Strongest materials; self-adjusting glides with a built-in carry handle.

Classic Series

Timeless design in a classic favorite with waterfall seat and curved, vented back to support all students. Five sizes, heavy-duty shell, tubular back supports and self-adjusting, nickel-plated glides with nylon inserts.

Hard Plastic Series

Designed for optimal back support and for secure upside down stacking on desks. Contoured seat shaped to follow natural body lines; back is designed to support students.

Educational Series

Ideal for science labs, kitchens and art rooms, these stools are strong, stable and easy-to-clean. Students are sure to find a comfortable position since these stools are available with fixed or adjustable height legs.

Squircle®

The Squircle® allows students to safely release energy with a unique dome base angled to sway securely in every direction. Adjustable Squircle® has the same impressive aesthetics with a large handle for easy adjustability.
