

STUDENT DESK

Collaborative

S4 Stacking Series

Stacks 4 high with locking casters and glides for quick rearranging or clean-up. Concave and Convex sides offer various configurations for collaborative work study.

Junction

Precisely designed as the ultimate pod desk - maximizes work surface, minimizes floor space. Book basket accessible in any arrangement; Ht. Adj. from K-12; individual use and pods of 3 or 4; many color options.

Synergy Series

Bloom into Collaboration! No need to choose space over collaborative learning teaching styles. This desk only uses 31 to 44 square inches of classroom space. More students no longer equals less space. Create a synergistic relationship with modern teaching styles and furniture with the Synergy Desk.

Petal Series

Striking and strong, the Petal Series combines personal space with collaborative learning. Two desktop sizes available; perfect for any room size. Combine the Petal Jr with the Lazer Teacher desk for instructional help in each Pod. Option of Casters or Glides. Height Adjustable; Mesh bookbox and backpack hook.

Innovation Series

Collaborative Inventiveness Personified! 350+ square inches of triangular desktop can position right, left or center as sitting or standing height. Handsome alone or pod them together for group work. Wire or mesh book-box, backpack hook and power post options.

**FIFTEEN YEAR
WARRANTY**

STUDENT DESK

Traditionally Modern

Surge Series

State-of-the-art adaptability maximizes attentiveness by letting students sit or stand with the same desk! Safety lever gives wide range of sitting and standing options. Larger desktop suits teacher, too.

Illustration V2 Series

The soft interlocking leg supports the dual legs on either side makes this desk the design of the future. The 500+ square inch desktop is designed to give the students plenty of room for their books and their laptop.

T-Leg Series

Features a sturdy T-leg design which is secured by two selflocking screws and adjustable to heights from 22" to 32". The wide frame design gives students extra leg room and the legs are height-adjustable for use in any grade.

Standard Series

Plastic Bookbox, Steel Bookbox, Open-View, Open View/ Writing, & Wheelchair School Desk:

With its adjustable height and choice of desktops, this desk is sure to enable every student to work comfortably. A unitized frame design for strength; held together by steel tubing and braces; optional U-brace.

Double Desks

T-Leg Series, Activity Series & Illustration V2 Series:

Get twice the learning done on the double desk. Students can work together or independently. Adjustable-height legs for student comfort, bookboxes can face either direction for any classroom layout.
